Sir:

STATUS

On February 25, 2000, via U.S. Express Mail, two separate applications for U.S. patent were filed:

1. U.S. Express Mail Label No. EEG83174140US; and
2. U.S. Express Mail Label No. EEG683174153US.

Unfortunately, both applications have been provisionally assigned the same Serial No., 09/486549. According to the two return post cards for each of these two respective patent

applications, of which a copy of each is submitted herewith, both patent applications have been provisionally assigned the same Serial No. 09/486549, which is obviously in error.

Please advise as to status and the correct serial numbers for these two separate patent applications.

Respectfully submitted,
By and For
Akerman, Senterfitt & Eidson, P.C.
